FROM THE CENTENNIAL PLANNING COMMITTEE

AUGUST 2, I976

July I2, We met at the Town Hall and many plans were completed, tickets were given out to be sold by different members of the Committee as well as some of the Councillors. These tickets were for the day at the Glen on Aug. 28, they cover the games , parade, music contests, a buffet dinner, and dancing, and were sold to residents first, then former residents and friends. Tickets were $3.50 for adults, and $2.00 for children. the letter from the council was read and very much appreciated by the members of the Committee. There was more discussion on the other projects for the month of August. Plans are being carried out, and returns are coming in from the invitations from the senior citizens.

July 26 At this meeting in the Town Hall , it was decided to ask the council to buy two flags to have on the Hall before the Night of Aug. 2, when we have a ceremony planned to unviel the names of the Mayors from I876- I976, and plant a tree that the Spicer Family had donated. Coffee and doughnuts to be served after the short ceremony. Fifty -four (54) replies for attending the luncheon have been recieved. The Church Service plans are in order. A flyer has been delivered to all residents of West Bolton. A sum of $200.00 was mailed to Rena Marsh to pay bills with , after they had been initialed by Sec. E. Stanbridge. Two articles have been sent to Granby Leader and Township Sun , with pictures.Ticket sales are good , there are still some left, but they can not be sold that night Aug. 28, as the manager at the Glen has to make up his menu before that date. Residents are putting up signs on their property , this is appreciated as we feel they are interested in what we are trying to do in different ways , to celebrate our Centennial.
